WILLIAMS LEADS BATTING AVERAGE OF OAHU LEAGUE

Medeiros and Kealoha Are at Head But Do Not Lead—
Brito and Chillingworth Have Dropped—Manager Mar-
callino Leads With Nobody Below Him.

There is a big change in the batting averages of the Oahu League players compared with the first series. Sumner no more heads the list, as he used to, and neither is Akana doing so well as in the first series. Last Sunday this heavy hitter was struck out twice, something which is rarely done to him.

Medeiros, the J. A. C. twirler, is the present leader of the batting list for the first three games of the second series. Chillingworth has taken a big tumble of late and is now one of the

WRESTLING BOUT ON LABOR DAY

Men In Excellent Condition for
Championship Match—Roller
Trainer for "Hack."

A wrestling match for the championship of the world will take place in Chicago on Labor Day, and is attracting much attention among followers of the sport. Everybody who has a chance to see Manager Jack Curley is after him for information on the Russian Loan, who arrived in Chicago a few days ago.

It will be of interest to the local sports that Hackenschmidt has Dr. Roller as his chief trainer. Both of them arrived from England last week, where they were in constant training for the coming event.

Most of the fans are in favor of Hackenschmidt, as "Hack" is known to have proved his caliber last year. As he is far better now, Gotch will have a great time defeating him. Gotch is fast and tricky, but it is stated that "Hack" has more strength and endurance, which will help him a great deal.

Frank Gotch, the present champion wrestler, seems to be a wise guy. He has already taken out three policies to insure himself against loss in his match with George Hackenschmidt. The first is for \$25,000 to protect the champion in the event of any accident, either in his training quarters or during his trip to Chicago. The second policy is for a like sum, to insure the presence of Hackenschmidt in the ring. The third is for \$40,000, to insure the champion against loss in the pictures.

Farmer Burns is the chief trainer of Gotch, and he has changed his system of work. The feature of his training is more defensive work and stiffer wind developing. Gotch is in first-class condition and is confident that he will win the bout without much trouble.

Bloodhounds are aiding Richmond, Va., mounted police and possess in the hunt for the man who shot and killed Mrs. Harry C. Beattie Jr. as she was riding with her husband in an automobile.

Because he said his wife did not greet him with a hug and a kiss on his return from a week's absence, Jas. Mills of Waterbury slapped her. He was arrested and fined \$5 and costs.

JOHNNY T. SYLVA
Captain of Leading Baseball
Nine on Windward Side.

KANEOHE MAY MEET LAIE NINE

The Kaneohe team, which has swept the honors on the windward side of the island in baseball, is captained by Johnnie L. Sylva, who in a star pitcher. The Kaneohe have been defeated but once, and this match was won by the Kaneohe nine.

Captain Sylva is a young lad and has done good work for his team in the box. He has pitched five games and won four of them.

Sylva claims that there are some good ball teams on the windward side, and the boys have great times playing ball there on Sundays. The boys go miles to the ball grounds, and as it is the rule there that each team must play one game away from home, the players usually travel four or five miles to the next village.

In most cases, after the games are over the boys sit down to a well Hawaiian dinner, and the losing team then forgets its defeat.

Sylva is anxious to arrange a match soon with the Laie team, to take place on the home grounds if possible. It is hoped by the Kaneohe team that the crack Laie aggregation will see its way clear to come.

VETERAN BALL PLAYER DIED FEW WEEKS AGO

Robert Caruthers, once a famous pitcher, died at St. Francis Hospital, Peoria, Ill., on August 5.

Caruthers pitched for Comiskey's St. Louis team in 1884-1886, and was known as one of the best right-hand twirlers of his time.

In 1888 Bobby Caruthers pitched the St. Louis team into the world's championship, defeating the National League team at the time. He was a great pitcher.

President Charles Comiskey paid the famous oldtimer a great tribute when informed of the death of the veteran. He bought "Bobby" from the Minneapolis team and he pitched for the St. Louis team in 1884, 1885 and 1886.

Caruthers was taken to the hospital about five weeks previous to his death, suffering from a nervous breakdown, from which he never recovered. Mrs. Caruthers, his two brothers and sister were at the bedside when he passed away.
